Construction Inspector/Manager; Various Locations

Job Description:

TPD is seeking resumes from experienced transportation construction inspectors and managers for projects in various PennDOT districts within the Commonwealth. Anyone with PennDOT, Turnpike, or local experience, NICET, ACI, PennDOT Concrete Field Testing Technician, and/or NECEPT Bituminous Field Testing Technician certifications are strongly encouraged to apply. When submitting your resume, please list all certifications you possess, date obtained, expiration date, and the corresponding identification numbers for the certification(s). This must be completed in order to be considered. Please also specify in your resume the PennDOT Districts in which you are willing to work.

TPD offers a competitive salary and excellent benefits including an unmatched flex time policy, Paid Time Off and a Professional Development program developed to help our staff continue their education and training throughout their careers.

Duties and Responsibilities include, but are not limited to:

- Inspection of roadway and bridge projects; testing of soils, concrete, and bituminous paving
- Calculation of quantities for contractor payment estimates
- Review of construction schedules
- Documentation of construction activities
- Oversee, inspect and monitor contract field work
- Maintain project records
- Recommend changes to construction plans to meet field conditions and provide project cost savings
- Prepare work/change orders

Experience and Skills

- High School diploma
- Minimum 2 years of transportation construction inspection experience
- Certification in at least one of the following: NICET, NECEPT Bituminous, ACI, PennDOT Concrete Technician, and CDS (field office) - **(When submitting your resume please list all certifications you possess, date obtained, expiration date, and the corresponding identification numbers for the certification(s).)**
