

Position: Civil Engineer-In-Training
Location: East Stroudsburg, PA
Employment Type: Full-time

Universal Technical Resource Services, Inc. (UTRS) is currently seeking a Civil EIT to join our team! At UTRS, we enjoy the benefits of working in a collaborative environment of close-knit team members. As a company, we provide a wide range of leading-edge engineering, management, and digital services to the public and private sectors. We are looking for someone that will support our mission to consistently deliver creative, high-quality, technology-based services to our customers on time and within budget.

This position will require the execution of various engineering tasks including Site Design, Permitting, Water & Wastewater Treatment Systems Design and Specifications, Construction Administration and Observation. The successful candidate will possess the ability to work with various regulatory agencies. This position is located at our office in East Stroudsburg, PA.

What will you be doing?

This position will be a key member of the Civil Land Development team. Duties include:

- Development of Erosion & Sedimentation (E&S) Control Plans
- Stormwater Management
- Site Layout
- Grading plans and related calculations, reports and spreadsheets
- Prepare various permit applications
- Perform Plan Reviews

What skills will the ideal candidate have to be successful?

This position will require the following skillsets and experience:

- BS in Civil Engineering or related discipline
- EIT strongly preferred
- Effective written and verbal communications skills
- Working knowledge of Microsoft software products (Word, Excel, Outlook)
- Field experience a plus
- Ability to collaborate with others on a design team
- AutoCAD/Civil 3D experience preferred

UTRS is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, national origin, disability, or protected veteran status. UTRS is a drug-free workplace with pre-employment drug testing and background verifications.
