

At Barry Isett & Associates (Isett), we are proud to be an employee-owned company and a well-respected multi-discipline engineering/consulting firm. We have been named a Morning Call Top Work Place numerous times, Corporate Citizen of the Year by the Lehigh Valley Business Journal, and recipient of the Societas Award for Responsible Corporate Conduct (for Ethics in the Work Place).

Our team of associates provides civil, structural, municipal, environmental, mechanical, electrical, and plumbing engineering, surveying, landscape architecture, code enforcement, plan review, construction management, construction inspections and material testing, and grant writing services to a diverse client base.

Isett has been headquartered in the Lehigh Valley (Allentown, PA) since 1977, and has developed a network of offices throughout eastern and central PA. This allows us to offer rewarding careers close to your home and affords you a work-life balance above others!

We have opportunities across our disciplines and geographic areas, such as:
