

Graduate Engineer

Ott Consulting Inc. (www.OttEng.com) is a well-respected Civil Engineering Firm with offices in the Lehigh Valley and the Slate Belt/Pocono Mountain regions. We are looking for a creative, energetic professional to work on our innovative team of civil engineers, surveyors, landscape architects, GIS specialists and AutoCAD designers. Our projects include a well-balanced mix of land development projects from all segments of the industry – residential, commercial, industrial, institutional and municipal.

Ott Consulting has a new position opening for a Graduate Engineer to work with office staff/management to successfully complete projects within established budgets and deadlines. Duties will include development of Erosion & Sedimentation (E&S) Control Plans, Stormwater Management, site layout, grading plans and related calculations, reports and spreadsheets, prepare various permit applications and perform Plan Reviews. Construction observation will also be required. Municipal Engineering duties will include plan review and preparation of plans and specifications for public works projects.

Qualifications:

- Required BS Degree from an accredited civil engineering program; EIT strongly preferred
- Effective written and verbal communication skills
- Working knowledge of Microsoft software products (Word, Excel, Outlook)
- Field experience a plus
- Ability to collaborate with others on a design team
- AutoCAD/Civil 3D experience preferred
- Knowledge of all aspects of civil site development including site design, stormwater management, utility design, cost estimating, site construction, etc.
- Ability to manage multiple projects at one time
- Ability to manage technicians

Salary and Benefits:

We offer a competitive salary and benefit package including medical, dental, vision, AD&D insurance, sick, vacation, etc. We also offer a 401k retirement plan with potential for profit sharing. Salary commensurate with experience.

Ott Consulting Inc. focuses on continued client satisfaction through exceptional quality of service. The staff at Ott Consulting Inc. enjoys a family-oriented work atmosphere with many opportunities for career advancement. We will continue to steadily grow our firm based upon a need basis. Ott Consulting Inc. is an equal opportunity employer.
